

ILLAWARRA- (P-SIL) Clear Multi-Purpose

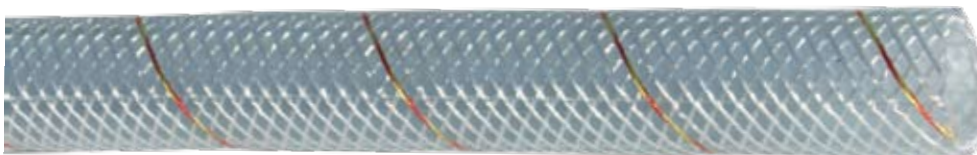

The FHS Illawarra multi-purpose hose is manufactured with a clear PVC tube which is resistant to many oils and petroleum based products while conforming to AS/NZ 2070 for food grade contact. The clear PVC construction of the tube and cover enable flow monitoring and blockage detection.

FEATURES:

- Excellent UV resistance to suit Australian conditions.
- Non Toxic, suitable for food contact.
- Suitable for use with air, water, oil, petrol and kerosene.
- Temperature Range - (-5°C to + 60°C)
- Manufactured to Australian Standard AS2070 (Non toxic food grade).
- Working pressures tested at 20°C.

CONSTRUCTION:

- Inner Tube : Clear PVC with smooth finish.
- Reinforcement: High tenacity polyester yarn with red tracer
- Outer Cover: U.V. Stabilised Clear PVC with smooth finish

Nominal ID	Nominal OD	Working Pressure	Burst Pressure	Weight	Lengths available
mm	mm	psi	psi	kg/mtr	m
6	12	230	920	0.10	20, 50#, 100, 300#
8	14	230	920	0.13	20, 50#, 100, 300#
